Learners must please enter the school at the teacher's gate in 6th Avenue. Staff members will let them in at the designated time. At the end of the lessons, the children may be fetched from the same gate. Please could we ask that parents collect or arrange for collection of the learners promptly after lessons end as teachers are giving up their holidays to help our children and it is not fair to expect them to remain at school after scheduled times.

Yours sincerely

Mr B Harris
Executive Headmaster
