

GRADE 8 TO 11 MID-YEAR EXAM TIMETABLE

The exam timetable for the learners in Grades 8 to 11 has been prepared. Please note that we rotate the exams in such a way that learners write every second day. When children are not writing, they must remain at home to study for the next exam.

Please note that:

- Session 1 starts at 07:45 and ends at 11:00
- Session 2 starts at 11:30 and ends at 14:30
- Grade 10 & 11 learners may go home if they are not writing session 2. The onus rests on learners to ensure they have safe transport from school. Study sessions will be available to those learners wishing to stay until 14:30.
